14,134	As per BELTRON Rate	Rate as quoted by the agency	Monthly Remuneration
We request you to kindly clarify the categories of manpower covered under Multi-Tasking Staff as per BELTRON rate	The Multi-Tasking Staff provided by Beltron are referred to as IT Boys/Girls, However they have not basic computer knowledge. In such a case, are we required to quote the same remuneration rate for IT Boys/Girls as fixed by BELTRON? Kindly clarify this.	Such manpower, possessing the required qualifications along with five years of relevant experience, is their remuneration should be fixed by the department itself, as it will have a direct financial impact on us. If an agency is engaged, there is a possibility that they may quote lower rates to become L-1 in the financial bid. This could affect the quality of manpower deployed. Therefore, it is requested that the remuneration for such personnel be fixed by the department itself.  Please clarify the applicable rate structure for deploying consultants with MBA/PGDM qualifications from a recognized university and a minimum of five years experience in RFP/bid process management in Central/State Government or PSU, as the statement currently mentions Rate as quoted by the agency without specifying a benchmark or cap.
